RE: Volleyball NT Officials Report

In 2018-2019 NWT Volleyball rebranded to Volleyball NT and updated the logo. Continued interest by High School players to referee Jr. High games is encouraging as well as continued commitment by certified NT referees. This continued commitment was highlighted when the 2018 High School championships were assigned using only NWT referees. Volleyball NT would like to thank the NOC for National travel subsidies and ROC's from AB, and BC that provided officials for NWT for tournaments. Below are highlights of activities and travel completed for VNT:

October 2018	2 NWT referees traveled to Lawrie Hobart Memorial in Fort Smith. High School students mentored to referee Jr. High School games.
November 2018	NWT High School Championships completely assigned with NWT referees. 2 referees traveled from AB to YK for Co-ed Tournament.
December 2018	2 referees traveled from AB to YK for NWT Open Championships.
